Dear Al:

As you know, the mission of The PeopleCare Center is to provide space to nonprofit agencies and organizations at a much lower than commercial rate of rent. The other day, I was contacted by a nonprofit that is in need of a meeting place and they were calling because they read our ad on the golf carts at Royce Brook.

This call is just one of many that I have received directly as a result of the ad that your company placed on the golf carts on our behalf.

Thank you for helping us to get our message out in such a unique and beneficial way.

Sincerely yours,

Marie L. Hughes
Executive Director
